SUBJECT: POLICY 14-015 – Unreasonable Noise

1. Any unreasonable noise, which disturbs the peace and quiet of the Fort Huachuca Community, is considered contrary to good order and discipline and is therefore prohibited.
2. Unreasonable noise may include, but is not limited to, loud music and other sound amplifications, disruptive behavior, and offense or abusive language.
3. Sound emitted from vehicles or from items carried by pedestrians such as stereos, radios, and similar devices that can be heard 30-feet from the source or which disturb the peace are also considered unreasonable noise.
4. The provisions of this policy pertain to all persons assigned to, in temporary duty status, or employed on Fort Huachuca and their family members/guests on the installation. This policy is punitive in nature. Failure to follow this policy is a violation of Article 92 Uniform Code of Military Justice and Arizona Revised Statute 13-2904.
5. This policy does not generally apply to mechanical, maintenance, and/or construction noises.
